तू जो कहति बल की बेनी, ज्यों है लोबी मोटी

काढत गुहत न्हावावत ओछनि, नागिन-सी भुई लोटी

They are always on the look out for a new stamp and whenever they see an envelop bearing a foreign stamp in the hands of a friend, they beg leave to remove it and add it to their precious collections. Such albums, indeed, look very beautiful and they contain a variety of pictorial stamps of every countries.
- 29) In India, the rich man owns all to give it away. He earns to spend. He owns palaces, gardens, tanks and wells, but the masses enjoy his property. His greatness lies not in a bank balance, but in the amount he spends for his brethren. In the west, socialism restricts the earnings through legislation. In India it equalises enjoyment through religion. In the former case it remarks for fear and duress, in the latter it breathes freedom and elation.

- 31) वर्तमान युग में शिक्षा के क्षेत्र में जो उन्नति हुई है, वह विश्व को चकित करनेवाली है । विज्ञान की प्रगति जहाँ एक ओर विश्व को सुख और शांति प्रदान करती है, वहाँ दूसरी ओर सारे विश्व को पतन की ओर अग्रसर कर देती है । वैज्ञानिक उन्नति के साथ-साथ सहयोग और सह-अस्तित्व की भावना में भी उन्नति होनी चाहिए । आजकल हम देखते हैं कि विश्व के तथा कथित विकसित देश कम विकसित देशों को अपने अधीन कर लेना चाहते हैं । जिन देशों के पास विनाशकारी हथियार है, वे नहीं चाहते कि अन्य देश सुरक्षा के लिए हथियार बनाये ।

The commonest form of forgetfulness, I suppose, occurs in the matter of posting letters. So common is it that I am always reluctant to trust a departing visitor to post an important letter. So little do I rely on his memory that I put him on his oath before handing the letter to him. As for myself, any one who asks me to post a letter is a poor judge of character. Even if I carry the letter in my hand, I then put it for safety into one of my pockets and forget all about it. After that, it has an adventurous life till a long chain of circumstances leads to a number of embarrassing questions being asked and I am compelled to produce the evidence of my guilt from my pocket. This, it might be thought, must be due to a lack of interest in other people's letters; but that cannot be the explanation, for I forget to post even of the few letters that I myself remember to write. As for leaving articles in trains and taxis I am not too bad in such matters. I can remember almost anything except books and walking sticks and I can often remember even books. Walking-sticks I find it quite impossible to keep. I have an old fashioned taste for them and buy them frequently but no sooner do I pay a visit to a friend's house or go on a journey in a train, than another stick is on its way into the world of the lost.
